EXPERIENCE

TestDriven.io, Denver, CO — *Software Engineer, Contributor*

SEPT 2018 - PRESENT

Spearheaded the development of an internal CI/CD tool to suppress finicky e2e test from halting builds and integrations. Contributed to site content to drive up traffic.

Tread Global, Denver, CO — *WordPress Developer*

DECEMBER 2017 - FEBRUARY 2018

Developed a Global b2b e-commerce web app in WordPress with custom PHP functions handling an array of custom features and views.

EDUCATION

Galvanize, Denver, CO - *Full-stack Web Development*

APRIL 2017 - NOVEMBER 2017.

Agile Certification, Las Vegas, NV - *Agile+DevOps Conf West*

JUNE 2016

University of North Florida, Jacksonville, FL - *Management/Information Systems(minor)*

APRIL 2005 - MAY 2009.

PROJECTS

Scyte Bot — *CI/CD helper tool integrated with Slack*

A testing tool for CircleCI. Combines and hosts detailed test results. Sends parsed result summary to slack. Builds are triggered by slash commands. *Node.js, CircleCI, Cypress.io, Mochawesome, AWS s3 + Lambda, Node fs Module, Slack API*

Chance the Trainer — *An app to help improve public speaking*

Randomly generates slideshow to help improve public speaking through improv. *React Hooks, Render Props, GCP*

SKILLS

Javascript/ES6
React/Redux
Node.js/Express
